## Barrier-Free Aluminum Wall Mount Fountain

# FEATURES & BENEFITS

### CONSTRUCTION

Cast aluminum bowl with integral mounting brackets along with a powder-coated finish combine for a strong long lasting product, while a vandal-resistant bottom plate discourages unwanted access.

#### **INTEGRATED TRAP**

All cast brass 1-1/4" NPT adjustable traps completely concealed inside bottom plates for easy installation and lack of unwanted access.

#### QUALITY CONTROL

Pre-built fountain is pressure tested to ensure no leaks and proper functionality.

#### FINISH

Gleaming white powder-coated finish is attractive and functional for any situation, and the soft rounded corners provide added safety and peace of mind.

#### **BUBBLER HEAD**

Polished chrome-plated brass bubbler head with integral basin shank for added strength. Shielded, angled stream opening provides a steady, sanitary source of drinking water at .45 gpm.

#### DRINKING FOUNTAIN VALVE

The push-button activated valve offers the only all stainless steel valve body that is machined out of solid bar stock, is fully serviceable through the front of the push button assembly offering access to the water control cartridge and integral water supply strainer, and with front access to the water stream height adjustment for easy maintenance without having to remove the valve. Operating pressure range of 30 to 90 psi (2.1 to 6.2 bar).

#### FOUNTAIN PUSH BUTTON

All chrome plated brass push button resists vandalism by allowing it to spin without unscrewing.

## OPTIONS

- □ Support Frame: Model 6800 universal in-wall mounting support for use with most fountains.
- Remote Drinking Fountain Water chiller: Model HCR8, 8 gph (30.3 L) remote water chiller provides instantaneous cooling to meet a continuous demand for chilled water.
- □ Water Filter: Model 6426, 10" x 2" (25.4 x 5.1 cm), in-line lead removal element that reduces lead from incoming water supply.
- Bottle Filling Station: Model 1900, bottle filler can be a stand-alone station, or mounted above most Haws drinking fountains along with most competitors' fountains and water coolers.

For more information, visit www.hawsco.com or call (888) 640-4297.

## SPECIFICATIONS

Model 1441 wall mounted, wheelchair accessible drinking fountain shall include a white powder-coated cast aluminum basin with integral mounting brackets, push-button operated stainless steel valves with front accessible cartridge and flow adjustment, 100% lead-free waterways, dual polished chrome-plated brass vandal-resistant bubbler heads, polished chrome-plated brass vandal-resistant waste strainer, vandal-resistant bottom plate, and chrome-plated 1-1/2" NPT trap.

## **APPLICATIONS**

Perfect for either public or private settings, our cast aluminum series is a great fit for any indoor/outdoor environment. This wheelchair accessible unit is the perfect fit for high traffic areas where there is a greater need for multiple drinking stations. Powder-coated finish helps maintain the fountain's overall appeal so it always remains looking as new as it did when it was installed. Specifically, this type of wall mounted drinking fountain may be placed in settings such as: parks, schools, and other environments where the temperature remains above freezing.Haws manufactures drinkina fountains, electric water coolers and electric drinking fountains to be lead-free by all known definitions including NSF/ANSI Standard 61, Section 9, NSF/ANSI 372, California Proposition 65, and the Federal Safe Drinking Water Act. Product is compliant to California Health and Safety Code 116875 (AB 1953-2006).
