

## Penal-Ware® 1684 Series Siphon Jet Toilet - On-Floor

1684-W-2

Fixture May Show Some Available Options

Please visit **www.acorneng.com** for most current specifications.

## **Siphon Jet Toilet - On-Floor**

**Fixture** is arranged to be installed on finished wall and serviced from an accessible pipe chase. Optional Wall Sleeve or Metal Template is recommended for all installations for required wall openings. Toilet bowl is fabricated from 14 gage, type 304 stainless steel and is seamless welded construction. Housing is structurally reinforced and is sound-deadened with fire-resistant material. Exterior is polished to a satin finish. The inside of the toilet bowl also has a satin finish. There are no accessible voids or crevices where contraband can be concealed.

**Toilet** is siphon jet type with elongated bowl manufactured to ASME A112.19.3 requirements and CSA B45.4 requirements and will flush with a minimum of 25 PSI flow pressure when used in conjunction with a minimum of 1.6 GPF. Trap has a minimum of 3-1/2" seal and will pass a 2-1/8" ball. Toilet waste outlet is 2-3/8" diameter plain end extending 3" beyond the back of the fixture.

**Regularly Furnished** items include mounting hardware for walls up to 8" thick.

## **GUIDE SPECIFICATION**

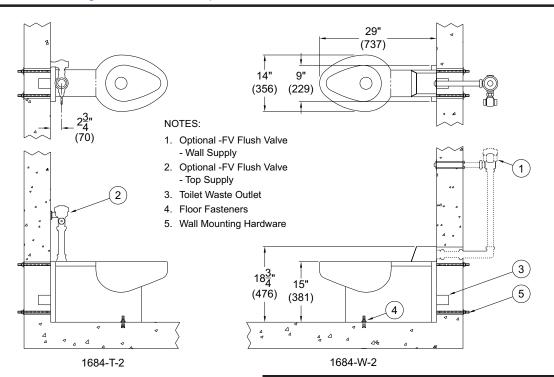

Provide and install Acorn Penal-Ware Siphon Jet Toilet, On-Floor (specify model number and options). Toilet bowl shall be fabricated from 14 gage, type 304 stainless steel. Construction shall be seamless welded and exposed surfaces shall have a satin finish. Toilet shall be concealed siphon jet type with an elongated bowl, a self-draining flushing rim, and an integral contoured seat. Toilet shall meet ASME A112.19.3 requirements and CSA B45.4 requirements and will flush with a minimum of 25 PSI flow pressure when used in conjunction with a minimum of 1.6 GPF. Toilet trap shall have a minimum 3-1/2" seal that shall pass a 2-1/8" diameter ball and be fully enclosed. Fixture shall withstand loadings of 5,000 pounds without permanent damage. Fixture shall be furnished with necessary fasteners for proper installation.
